HERERO

2020

The Herero are a Namibian tribe, who after breaking free found a way of expressing through their garments: what once was an external imposition of clothes, was transformed into colorful and daring expressions of their newly acquired liberty and their resistance to the challenges in life.

Convinced that beauty belongs to those who believe in the potential of their dreams, just like the Herero did, SAHA presents the 2020 collection: an allure to make a statement with what you wear about how empowered, vibrant, sensitive and free you are.
